Mark this day in your calendars for your scout to go out and sell tickets in the areas not already solicited by our scouts. We will also be at Kroger's **April 11** selling tickets.

### 3. Flyers for dinner

When you go to a place of business, ask if you can hang a flyer on a window or door. Example: gas stations and such. After the dinner, please remove from their windows or doors. If possible place some at your work locations, you will be surprised the amount of tickets you can sell.

### 4. Food items needed for dinner

This list is the food items we need for the dinner. Please try to get your business donations to donate these items. If they ask for suggestions suggest these items, we need them for the dinner.

### 5. Business List

This is a master list of all the businesses that we will be soliciting donations. However, if you have a relationship with a specific business or would like to approach them you may continue to do so. Please let me know if you plan to contact a certain business and I will add your name as the contact for that business. We will post the list of businesses we plan to solicit. If anyone has any ideas for new businesses please feel free to let the chair know.

## 8. Auctions Sheet

The auction will be taking place at the same time as the dinner this year. In an attempt to get more outside bidders we will be auctioning off items hourly during the dinner with some Grand Auction items at the end of the evening. Since the auction is at the same time as the dinner there will be no points awarded for attendance and for bringing people.

## 9. Dessert and Dressing information sheet

List of items needed by each scout to bring Saturday day of dinner. Must be at school at 7:00 am. Also information on what to bring to help make the dressing and the fee requested by each scout.

## 10. Scouts turning in ticket sales, canned goods and donations at weekly meetings

An adult will be in-charge and will attend every Monday night meeting between April 5 and the dinner. This person is the only one to give your items to, so you and your family's points can be properly accounted for. A receipt will be issued for your son to keep track of his points. Please keep all canned goods until the parent meeting April 19.

## 11. Dinner Fee

To make the burden of the dinner fair to each Scout, it was decided we (the troop committee) would purchase all the items needed, and each family will be assigned a \$20.00 fee. **Fee needs to be paid at the first Parents Dinner Meeting.** Any expense over the fee will be picked up by the Troop. We still need the families to collect food items from businesses and scouts to collect food items from their routes. We hope we can get all the items needed by donations. There are some items that cannot and do not get donated so the money will be used for those items. Please ask businesses to donate food items from the food list you can print off the web site.
